EPD transparency brief

product ID: FREB-HB-FUM plant name: liaxing City

Date of Issue:

g GV

description: Engineered wood flooring, European Oak, width=120mm, thickness=14mm

Declared functional unit: m2

Allwood Group, LLC

Declaration Owner:

537 McLend Street Program Operator:

Product Category

Rule: PCR review was conducted by: lack Geibig. Chair. Ecoform. jgeibig@ecoform.com. Thaddeus Owen, hiper4m@gmail.com. Thomas Gloria,

additional considerations from the USGBC/UL Environment Part A Enhance Independent LCA Reviewer and EPD

Verifier:

Geoffrey Guest, Certified 3rd Party Verfier under the P3Optima Program

Period of Validity: EPD Number: 2h47c3db-2083-4da5-9207-e667fb405ab1

Life cycle impact metrics: FPCOP I g OI

DP						PCOP	photochemical oxidation potential	0.138	kg O3eq
NP						930	ccone layer depletion potential	2.25e-06	kg CFC-1
EP							global warming potential	18.3	kg CO2-Er
AP						EP	eutrophication potential	0.0114	kg N
	0	25	EO.	75	100	AP	acidification potential	0.279	kg 902eq
