EPD transparency brief

plant name: liaxing City

description: Engineered wood flooring, European Oak, width=127mm, thickness=14mm

Declared functional unit: m2 Allwood Group, LLC

Declaration Owner:

537 McLend Street

Program Operator: Ottawa, ON - K1R5R2

Product Category Rule:

PCR review was conducted by: lack Geibig. Chair. Ecoform. jgeibig@ecoform.com. Thaddeus Owen, hiper4m@gmail.com. Thomas Gloria,

additional considerations from the USGBC/UL Environment Part A Enhance Independent LCA Reviewer and EPD

Verifier:

Geoffrey Guest, Certified 3rd Party Verfier under the P3Optima Program

Date of Issue:

Period of Validity: EPD Number: 2h47c3db-2083-4da5-9207-e667fb405ab1

Life cycle impact metrics: **FPCOP** ODP photochemical oxidation potential ka O3ea setric

ODP czone layer depletion potential 2.11e-06 kg CFC-11. **GWP** GMP diobal warming potential 18 ka CO2-Ea EP FP eutrophication potential kg N AP acidification potential
